President's Message

The Club has been "dark" for the past two months, but the Board has continued to meet and planned a full calendar of events. You will read about many of our Fall activities in this newsletter. Please take a minute to look over the calendar. Remember to save the dates and get involved. You'll enjoy meeting and working with our many talented women. In addition to events, we will have our general meetings (2nd Thursday each month unless otherwise announced). Again, please note the dates on your personal calendar. Tina Cruz has arranged very interesting programs, for our meetings, that you won't want to miss.

About our "Grand Old Lady": The Clubhouse has been given some much needed attention. The electrical upgrade is almost complete and we can finally consider air-conditioning. However, the aging plumbing is demanding our attention. There was a nasty leak this summer that required emergency service. We are grateful to Connor's Plumbing for their quick response.

Because we must rent the Clubhouse to

Dollars and Cents:

Did you know it costs \$38,000 a year just to keep the Clubhouse going? That includes taxes & insurance; cleaning and small repairs; gas, electric, and water; groundskeeping and security; and general consumables. That doesn't include the new roof a few years ago, electrical upgrades (2 of 3 phases completed), floor refinishing, new curtains for the stage, etc. 3rd VP Roe Muzingo has done a terrific job in securing rentals, in a declining economy, to cover the majority of these expenses; but rentals don't cover it all. That's where every member comes in. We are planning several exciting fundraisers and need your help to make them successful. Volunteer to work on the committee, attend the fundraiser, or sell tickets. The Club needs your involvement! Contact me to help (or the Chairperson listed in each article)!

PRES. MSG meet expenses, it is important that both the interior and exterior are well maintained.

We hope to refinish the wood floors and replace the backstage curtains. Our House and Grounds Committee chaired by Roe Muzingo has been gathering bids. You've no doubt been aware of the deteriorating appearance of our room dividers. Eugenie has contacted the manufacturer and hopefully, they will be refurbished. Of course, all of this requires financial support. If you have any experience with grant writing, please let me know. The Clubhouse is a designated Los Angeles Historical Monument and may be eligible for grant monies.

As your president, I am really looking forward to this term. See you September 9th -at the Poolside Potluck where we'll catch up with one another and enjoy some fabulous food. **Anne Wolf**

House and Grounds Report

We have had some electrical and plumbing work at the Clubhouse completed over the summer. The Clubhouse is busy with rentals in September and October. One of these events will be the marriage of Patrick Muzingo, son of Roe Muzingo and the late Robert Muzingo, to Ginna Van Hoser of Morro Bay. We wish them much happiness!

Message from the Editor

I hope everyone had a wonderful summer. As school and the gear-up for the Holidays begin, don't miss out on the many events planned or supported by the Women's Club this Fall. If you are able to volunteer to assist with planning or working on these events, it will have a tremendous positive impact on our Club and our community...and you'll have fun doing it.

We have a new Board. Please do all you can to support our hardworking leadership. We have a lot to accomplish in the 2010-2011 year.

Deadline for the November/December issue is October 27. Contact me by phone: (323) 258-3687; or e-mail: pgrich@pacbell.net to submit article. Christine Richards, Publicity Chair

Our annual Yearbook and new name badges will be distributed to members at the September 9 General Meeting.
